UNSW Gateway Admission Pathway

During the UNSW Gateway Program, we will be working with you to prepare your application for an early conditional offer to UNSW through the Gateway Admission Pathway.

What is it?
The Gateway Admission Pathway is an early conditional offer to UNSW for Year 12 students that is administered through the UAC Schools Recommendation Scheme. Your application will be assessed on the basis of your personal statement and your school’s ratings of your aptitudes and performance in relevant areas of study. If your application is successful, you will receive an early conditional offer with an ATAR entry requirement up to 15 points lower than the advertised Guaranteed Entry rank. Then, if your ATAR result is the same or higher than the requirement set for you in your early conditional offer, you will receive a firm offer to that UNSW degree, if it is your highest eligible preference.

Am I eligible?
You are eligible if you attend one of our UNSW Gateway schools (see pages 32-37) or if you are identified by UAC as eligible for the Educational Access Scheme based on SEIFA criteria. For more information about what this means you can download a fact sheet from UAC at EAS Fact Sheet: Socio-economic Indexes for Areas (SEIFA) uac.edu.au/assets/documents/eas/ea-economic-indexes-for-areas-seifa.pdf.

What will I receive?
1. An early conditional offer to UNSW
2. Priority for UNSW Equity scholarships which may include awards of $5,000 or $10,000 per year for the duration of the degree, or accommodation scholarships valued at $24,000 per year (subject to availability).

NB. A separate scholarship application is not required. You simply register your interest in being considered for an Equity Scholarship when you complete your UAC Application. For more information go to uac.edu.au/current-applicants/equity-scholarships and scholarships.unsw.edu.au/unsw-equity-scholarships

How will my attendance in the Gateway Program help me with my application?
During the UNSW Gateway Program, we’ll give you all the tools to write a winning personal statement. You will receive individualised support and will be able to ask questions about your application.

See pages 14 and 34 for the application timelines for the UNSW Gateway Program and the Gateway Admission Pathway.

Applications close Sunday 19 September at Midnight

How can I apply for an early conditional offer through the Gateway Admission Pathway if I do not attend the UNSW Gateway Program?
Yes, if you are completing your HSC and receiving an ATAR in the year of application and attend a Gateway school listed on page 32 or are eligible based on UAC SEIFA criteria then you can apply for an early conditional offer through the Gateway Admission Pathway. However, if you do participate in the UNSW Gateway Winter or Spring Program, you will receive assistance in completing your application.

How can my family and school help me with my application?
If you’re not sure what to study, your school careers advisor may be able to provide you with some advice. They can also read through your Gateway Admission Pathway application. They might think of something about you that you have forgotten to include, and it’s always helpful to get feedback on written work.

I want to apply for UNSW Medicine
If you’re planning on applying for UNSW Medicine, there are some additional requirements and eligibility criteria. We will support you with more information during the Gateway Winter Program and you can find out more at med.unsw.edu.au/local-applicants

I’m applying for an early conditional offer to the Bachelor of Laws (LLB), do I need to sit the Law Admission Test?
If you are eligible for the Bachelor of Laws through the Gateway Admission Pathway, you are not required to sit the Law Admission Test (LAT). LAT results will not be used to assess your Gateway Admission Pathway application. However, you can still register for and sit the LAT if you would like to retain the option of entry to the Bachelor of Laws through the LAT admission process.

UNSW Gateway
We are committed to making university entry equitable by removing barriers to enter UNSW. UNSW Gateway is a different way into university, that recognises that there is so much more to you than just your ATAR.

Bring your ambition.

Your ticket to success
UNSW Gateway Winter Program is designed to prepare you for success during your HSC and at university. The online program has these key components:

1. Kick Winter
Get in early to understand how to navigate the Gateway Winter Program and find ways to fast track your preparation for writing an early conditional offer application. Reconnect with your motivating passions and identify your learning strengths.

2. HSC Subject Masterclasses
You want to succeed in your HSC and we want to make that happen. Access support for your HSC subjects from experienced HSC markers so that you can maximise your results.

Live, interactive online booster sessions will run for the following subjects:
• Biology
• Chemistry
• English Standard
• English Advanced
• English Extension 1
• Mathematics Standard
• Mathematics Advanced
• Mathematics Extension 1
These subjects will be delivered by teachers from InspirationED, who are experienced HSC markers. They will cover the HSC syllabus and provide you with exam tips and tricks.

3. Gateway Admission Pathway support
During the UNSW Gateway Winter Program, you will be fully supported to successfully complete a Gateway Admission Pathway application to UNSW.

You will receive:
• Step-by-step guidance to write a great personal statement
• Q&A sessions with our Ambassadors and staff to get tailored advice and feedback about your application
• Guided portfolio support for select degrees

4. Uni Bites
We will be going live, serving up all the tips and tricks to study smart, stay motivated, nail your HSC and secure an offer to UNSW.

Go Write Ahead
Get tailored support and advice on how to write a personal statement for your Gateway Admission Pathway application.

StudyShare
Trouble with procrastinating and staying motivated? UNSW Ambassadors will share their key strategies for success so you can feel more confident heading into the HSC and university.

Burning Questions
Connect with University Ambassadors to find out more about their transition from high school to university life.

5. Know your faculty
Access UNSW Faculty Welcome webinar sessions, to help you to make informed decisions about future degree choices.

6. Post program support
Receive exclusive academic enrichment and tutoring through supported access to the InspirationED HSC4Me webapp for all subjects and an opportunity to participate in Cluey Learning 6-week online tutoring packages in the lead up to exams.

Exam Practice Papers
Sit and submit online practice exams in the above subjects to receive individualised feedback on your performance.
This online program, accessed via the Open Learning platform for registered students, is designed so that you can do a little bit each day and choose the sessions that best suit you. Session recordings and information about accessing practice exam papers will be posted to the platform.
